Maintaining a large range of Civil Contracting, Transport and Earth Moving Equipment, DML can offer a selected range of Plant and Equipment for Hire.

2 x Semi Tippers:

For everyday carting, the two tippers consist of 1 Bogie Rock Body and 1 standard Tri Axle tippers.

2 x Low Loaders:

One Low Loader is a Drake Tri Axle with a 10m Long Deck, and hydraulically widening to 3.5 metres. This Low Loader is permitted to carry any indivisible load up to 3.5m wide and 30 tonne maximum carrying capacity in the Adelaide local metro.

The Second Low Loader is an Air Ride Tri Axle 9m long fixed deck. It is permitted to carry any indivisible load in the Adelaide metro area up to 3.5m wide and 29.5 Tonne maximum carrying capacity.

Wider Loads are permissible, subject to usual Permit approvals.

Central Location:

DML's central location at Edwardstown enables easy access to work either north or south.

The Tippers and Low Loaders are all coupled to 'Late Model Kenworth Prime Movers', and are available for hourly hire and or bulk haulage. Plant to Load Trucks is also available.

Transport Permits:

We hold current yearly 'DETI Permits' for both Low Loaders to carry up to and including loads 3.5 m wide on any day.

DML Drivers and support crew are highly experienced and can be booked by calling Ben Rademacher on mobile 0411 518 891.
